TWO CHICAGO SENATORS

Tell a Straight Story About Catarrh and Pe-ru-na.

Chro ic catarrh often makes its approach in disguise. Before a person knows it he may become a victim of chronic catarrh. Its onset may be grad ual, its development insidious, and at last the victim finds himself in the ·luiches of a tenacious disease. A slight cold, a tendency to sneeze, a puffiness in the nose and head, fullness or crackling in the ears, stringy mucus in the threat slight cough or wheeziness, snoring dur ing sleep-any one of these symptoms should be regarded as a warning.

.What can be cured in the beginning in a week or two, by using Pe-ru-na, if allowed to become chronic, may require months of faithful treatment. You had better take Pe-ra-na now, for by and by you may be obliged to take it a long time in order to get well. Pe-ra-na is the remedy for catarrh; almost everybody knows that by hearsay, and thous ands know it by blessed experience.
Two Sonators from the great metrop

P**************** Maternity

If every expectant mother would put herself under Mrs. Pinkham's care and follow her advice, which costs nothing, the experience of maternity would be approached without peril and passed with the least possible pain.

Mrs. Perley Moulton, Thetford, Vt., writes: "DEAR MRS. PINKHAM: I think Lydia E. Pinkham's Vege-

table Compound is an excellent medicine. I took several bottles of it before the birth of my baby and got along nicely. I had no afterpains and am now strong and enjoying good health. Baby is

also fat and healthy." Mrs. Chas. Gerbig, 304S. MenroeSt., Baltimore, Md., writes: "DEAR MRS. PINKHAM: Before taking your Vegetable Compound I was unable to become pregnant; but since I have used it my health is much improved, and I have a big baby boy. the joy and pride of our home.'

Itisnot Nature's plan that bearing children shall destroy comeliness or wreck health. Write to Mrs. Pinkham at Lynn, Mass., for practical counsel.

Mrs. Cora Gilson, of Yates, Manistee, Mich., writes:

"DEAR MRS. PINKHAM: Two years ago I began having dull, heavy, dragging pains in my back, menses were profuse and painful, and was troubled with leu-

corrhœa. I took patent medicines and consulted a physician, but received no benefit and could not become pregnant. Seeing one of your books, I wrote to you, telling you my troubles and asking for advice. You answered my letter promptly and I followed the directions falthfully, and derived so much benefit that I cannot praise Lydia E. Pinkham's Vegetable Compound enough; I now find myself pregnant and have begun its use again. I cannot

praise it enough." Mrs. Ed. Waddell, Philbrook, Mont., writes:

"DEAR MRS. PINKHAM: I wish to tell my suffering sisters about your Vegetable Compound, to which . I owe my life and three fine, healthy children. Five years ago now, I had three miscarriages and at the time of the second one the doctor said another would kill me. In six months I had

another. Well, I did nothing. s and listless, cared for nothing. I thought I would ask your advice and try your medicine, and I am so glad I did, for it made such a change in me. I gained strength, slept well and gave birth to a nice boy with comparatively little suffering. Since then have had two children, which through the use of Lydia E. Pinkham's Vegetable Compound I was able to bring to maturity. I feel that I could not do without your medicine at such a time. I am now well, and do all my own work. I thank you for your kind advice and shall not be without your medicine. I recommend it to all who suffer."

Mrs. Ehlinger Thanks Mrs. Pinkham.

"DEAR MRS. PINKHAM: I have many, many thanks to give you for what your Vegetable Compound has done for me, After first confinement I was sick for nine years with prolapsus of the womb, had pain in left side, in small of back, a great deal of headache, palpitation of heart and leucorrhoea. I felt so weak and tired that I could not do my work. I became pregnant again and took your Compound all through, and now have a sweet baby girl. I never before had such an easy time during labor, and feel it was due to Lydia E. Pinkham's Vegetable Compound. I am now able to do my work and feel better than I have for years. I cannot thank you enough."-Mrs. Edward Ehlinger, Devine, Texas.
